CLUB NOTES

Our visitors to-day, Bury, founded in 1884, joined the Second Division of the League in 1894 and won the Championship at their first attempt. They were however relegated in 1911-12 with North End as companions in distress since which time they have played in first and second, with a spell in the third Division.

In their recent visits to Deepdale they have been fairly successful and given us some hard games. One very familiar face in their team will be Alex Alston, for so long a favourite at Deepdale, who has already played in several positions for the "Shakers."

They were the first Club in Lancashire to instal floodlighting equipment, which produced sufficient revenue to pay for the cost in two years. The playing surface at Gigg Lane is well known to be one of the best in the Country whatever the weather.

Their Team Manager, Mr. Bob Stokoe, well known with Newcastle United has done wonders in his short time at Bury and this last two or three seasons they have been amongst the prominent teams in the Second Division. They have, however, not been too successful this Season.

Our Second Round Cup Tie with Bolton Wanderers will be played at Deepdale on Monday, the 16th December, kick-off at 7-30 p.m.

Please note that our Central League match versus Chesterfield scheduled for Thursday, 26th December, has been re-arranged for Saturday, 25th January, 1964. There will, therefore, be no football at Deepdale on either Xmas Day or Boxing Day, our only Xmas Home Fixture will be on Saturday, 28th December, when we play Cardiff City.

Another good away win at Portsmouth on Saturday last by 2-1 gives us one of the best away records in the four Divisions and keeps us within striking distance of the leaders, Leeds United and Sunderland. We look for an improvement in our home record however, which does not bear comparison with our results away from Deepdale.

To-day's match with Bury marks the turning point in our League Programme and we start the second half of the Season on Saturday, the 14th December with a home fixture with Leyton Orient.

We would like to offer our congratulations to Dave Wilson on his slection for the "Under-23" Match versus West Germany on the 27th November, and to Howard Kendall, who seems destined for Youth honours this Season, judging by his consistent attendance at F.A. Youth Training Sessions.

We have been reading a lot of late about "Spectator-behaviour" (or lack of it) at League Matches this season. We seem to be blessed with a fairly stable crowd at Deepdale and the Board would like to express their appreciation to our supporters for upholding the good name of both the Team and the Town at home and away matches this season. There have been minor incidents of course, but nothing of any great import, so keep up the good work. Let us have enthusiasm by all means, but bear in mind at all times the good name of both Town and Team.

On Monday next, the 9th inst., the Draw for the Third Round of the F.A. Cup Competition. Whatever the Draw, we can look forward to a fighting effort from our team and we hope a successful run in the Competition. We trust that the difficulties of snow and fog which beset the F.A. Cup last Season will not occur again.

CLUB NOTES—continued

We would remind you that tickets for the Supporters' Club Draw, which was so very successful last Season are still on sale. Cash and counterfoils should be returned to Deepdale by the 12th December, and the Draw is to take place on Friday, 13th December in the Pavilion Stand, at Deepdale.

Our successful trip to Portsmouth on Saturday last was made by air from Manchester. The party was back in Preston by 8-30 on Saturday night and supporters can imagine the great advantage of this as opposed to a long journey by train via London. With bad weather possible now, it is not likely that we shall be able to travel by air for a month or two, but when Spring comes, we hope to take advantage of this form of transport again.

Preston North End Supporters' Club

Supporters turned up in force last Monday to see Tom Finney present Willie Cunningham with a silver tea service on behalf of the Supporters' Club, as a small token of our thanks for his sterling service with North End over the years he has been at Deepdale. The large gathering was handsomely entertained by a number of artists who gave their services free of charge as their own contribution towards the effort.

BINGO : Unless the Jackpot was won last night by next Friday it will stand at £34 on 55 numbers. The bingo sessions have proved extremely popular and a "full house" is guaranteed every week.

THE CHRISTMAS DANCE is to be held on the Friday before Christmas, December 20th, when all the usual games and entertainments will be provided.

THE CHRISTMAS DRAW is to be held on Friday, 13th December, the magnificent total of 130 prizes are to be won and the star prize — last year a 21-guinea suit — will remain a mystery until the night. It will be prize number 13 on the list. All members are invited to witness the Draw in the gymnasium here at Deepdale.

TRAVELLING : A trip to Cardiff on Boxing Day has been arranged and bookings may be made in the Press room after to-day's match, or any Friday evening Club Night. CHRIS HARKER (*Goalkeeper*). (24). Was released by Newcastle, his home town, to join Aberdeen, where he was seen by former England Keeper, Colin McDonald, now Bury Chief Scout. Strong recommendation sent manager Bob Stokoe to meet the player and he was signed on Glasgow Central Station for a fee of £4,000, this being manager Stokoe's first signing as manager of Bury. Considered one of the finest keepers seen at Gigg Lane for many years.

BRIAN GALLAGHER (*Right Full Back*). (25). Played as an amateur with Ashton United in Lancashire Combination and joined Bury at 18 after deciding against a trial with West Bromwich Albion. A stylist in all phases of the game, Brian is an established defender in the League's most consistent defence last Season.

BRIAN EASTHAM (*Left Full Back*). (26). Born Bolton and product of Bolton Junior Football, ideally built for a defender, good in the air and known as a sound positional player. An ever-present in the team which so narrowly missed promotion last Season.

BRIAN TURNER (*Right Half Back*). (27). Manchester-born, a player with fine temperament and resolution. Strongly built and his flair for attack is well-known throughout the country. A splendid club player, Brian resides with his wife and family only a stonethrow from Gigg Lane. Strong ambition is to see his Club in First Division football where the ability of the team will be more widely recognised.

ROBERT STOKOE (*Centre Half and Team Manager*). "Wor" Bob as he is now known in Bury could not adequately be described in a brief pen picture, so much has happened in his comparative short term with the Club that one can only bring to mind his great 3rd Division promotion run of 17 games without defeat, his almost snatching First Division promotion in his first full year as Team Manager. His reputation for complete fairness and sincerity. Surely this former Newcastle star will continue to enhance an already fine reputation as an embryo Manager, and everyone at Gigg Lane will hope that his career will continue for many years with the Bury club.

GORDON ATHERTON (*Left Half*). (29). Born Horwich, near Bolton. During a game in London last season one official was heard to describe Gordon as "Powerhouse," as indeed he is just that, non-stop and expresses a tremendous pleasure in his approach to game, always an enthusiast and regular member of the now established Bury half back line which could well drive the team on to its greatest ambition this year — first division football.

GEORGE JONES (*Inside Right*). (18). England Youth International and a strong contender for Under-23 honours this season. Joined the Club from school and had already a high national reputation as an athlete, particularly as a 1,000 metre runner. In temperament and application to the game George Jones is regarded as one of the finest new prospects for full International honours in the country. At 18 years he is now "matured" in senior football having appeared in two seasons Second Division programme in addition to F.A. and League Cup matches.

BILL CALDER (*Centre Forward*) (29). Born Greenock, joined Leicester and played consistently with Bury as either Centre Forward or Outside Right when he joined the Gigg Laners in 1959. Top scorer last season and virtually an ever-present over the last three seasons. Strong and forceful with a deceptive turn of speed.

FRANK BEAUMONT (23). Product of Barnsley schools football, Frank moved from Barnsley for a reported fee of over £10,000 which, for the Gigg-laners is considered a reasonable fee. Ideally built for a forward he is now settling down to the form which the Bury manager knows him capable of producing. If effort is the hallmark of success Frank Beaumont will certainly be in for a great season.

TONY BARCLAY (*Outside Left*). (25). Compare styles : Tony is a controversial figure, some say "better than Charlton," others say unpredictable, but all say "Watch him." He can destroy **any** defence on his day : tremendous shooting power and ball artistry are the make-up of Tony Barclay, patience and perseverance should make this player with his wonderful natural skills one of the most exciting wingers in the League.

BILL GRIFFIN (*Inside Forward*). (23). This clever ball- playing forward joined Sheffield Wednesday from school and made many First Division appearances for Wednesday including two Inter-City Cup Matches with Barcelona. Moved to Bury midway through last season to assist in their promotion bid and impressed by his skill and fine positional play.

ALEC ALSTON (*Centre Forward*). (25). Transferred from Preston North End before the deadline date last season at a five-figure fee. A strong and forceful player Alec promises to be a first class leader, and also has considerable experience as a winger.

EDDY COLQUOUN (*Right Half*). (18). Scottish Youth International and a great prospect. Strong and determined Eddy hails from Preston Pans, and although he has not yet made the senior side he appeared in every Central League game last term and must now be considered a strong contender for the seniors this year. Ideally built for a half-back he is almost 6 ft. and weighs 11 st. 6 lbs.

TONY MORRIN (*Left Half*). (17). Manchester born, Tony is an apprentice professional and also a consistent performer with the Central League. Commenced his career as an inside forward but proved to be a fine tackler in defence which decided manager Stokoe to cultivate his play which judgment is proving sound. Recommended by the club for Youth honours this season the Bury public are keenly interested in his future.
